

the process

3 SELECT YOUR SUBSTRATE

Some may call this a detail, but the surface you print upon can elevate your finished design to a whole new level. Our selection of substrates offer design and performance:

- beautiful touch
- easy to clean
- sound absorption
- low VOCs
- natural materials
- high-traffic stability
- sustainable options

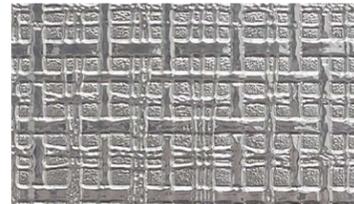

basketweave - DG 2065

braque - DG 2069

crossguard - DG 2048

basketweave mylar - DG 2027

braque mylar - DG 2074

crossguard mylar - DG 2033

foiled again - DG 2052

jigsaw - DG 2066

silkworm - DG 2054

foiled again mylar - DG 2035

jigsaw mylar - DG 2032

silkworm mylar - DG 2029

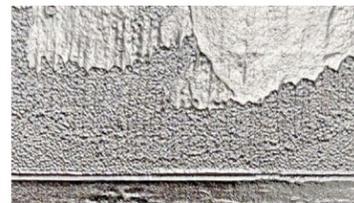

stonehenge - DG 2051

stratum - DG 2050

tech fabric - DG 2072

stonehenge mylar - DG 2040

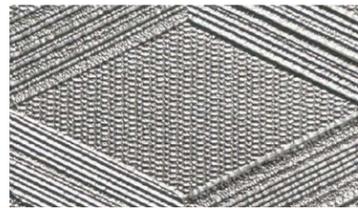

stratum mylar - DG 2047

tech fabric mylar - DG 20XX

escher - DG 2071

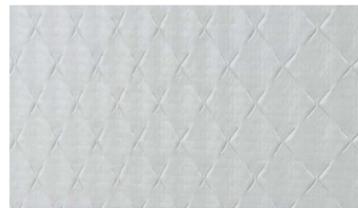

escher mylar - DG 2039

vertical crepe - DG 2049

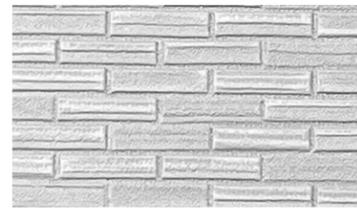

vertical crepe mylar - DG 2037

snakeskin - DG 2070

black glaze - DG 5002

stacked stone - DG 2053

stacked stone mylar - DG 2075

suede - DG 5000

fiber paper mylar - DG 2016

canvas - DG 5003

artist canvas - DG 5004

WOOD SOLUTIONS

- wood veneers
- flax-based eco-veneers
- acoustic wood veneers

ACOUSTIC SOLUTIONS

- PET felt panels
- fabric-wrapped panels
- acoustic wood veneers
- perforated vinyl

MATRIX WALL PROTECTION

- matrix 2.0 wallcovering medium traffic
- matrix 3.0 wallcovering heavy traffic
- matrix 4.0 rigid panels extreme traffic

Matte - DG 5005

pvc-free options - see guide

window Film - DG 6000
